JONI MITCHELL The Studio Albums

CD

Cat Nr.: 81227971
BARCODE: 00812279
RELEASE: 26-10-2

"When the dust settles, Joni Mitchell may stand as the most important and influential female recording artist of the 20th century. Uncompromising and iconoclastic, Mitchell confounded expectations at every turn; restlessly evolved from deeply personal folk stylings into pop, jazz, avant-garde, and even world music. Housed in a small, clamshell box The Studio Albums contains 10 CDs in card wallets, replicating the original album designs. It is a fantastic collection of Joni's complete catalogue of studio albums during her time with Reprise Records at the start of her career, including arguably her most well known and influential work.
