Nel 2010 si celebra il 40° anniversario della morte di TAMMI TERRELL, la non dimenticata "Lovely Ingenue", partner di Marvin Gaye in duetti di successo come "Ain't No Mountain High Enough". TAMMI TERRELL ebbe anche una sua carriera solistica che viene ora racchiusa in "Come On And See Me", doppio CD che raccoglie tutti i singoli, le b-sides, tracce dagli album e brani inediti: 10 canzoni rimaste negli archivi della Chess e della Motown e 11 registrazioni originariamente in mono che per la prima volta sono disponibili in versione stereo. "Come On And See Me" contiene 50 canzoni in totale ed un fantastico booklet con scatti inediti, note dettagliate ed la storia di queste incisioni scritta da Daphne Brooks.

CD in vendita da Disco Club a partire da martedì 9 novembre 2010 al prezzo di 24,90 €
