A companion piece to the album, Right Now!, this collection contains additional recordings from those sessions, as well as remixes and reimaginings of songs from Right Now! All songs, except for "Reap What You Sow," have never been released. The psychedelic improv supergroup featuring Dave Alvin and Victor Krummenacher (Camper Van Beethoven, Cracker, Monks of Doom, Eyelids), David Immerglück (Counting Crows, John Hiatt, Monks of Doom, Camper Van Beethoven), drummer Michael Jerome (Richard Thompson, Better Than Ezra, John Cale), and singer/songwriter Jesse Sykes (Jesse Sykes & The Sweeter Hereafter) continues to defy expectations and genre on Spellbinder!
