

Prima antologia multi-artista di questo importante sottogenere del progressive rock britannico. • Include tutti i principali protagonisti dell'enorme e intrecciato albero genealogico della famiglia Canterbury. • Tracce seminali di Soft Machine, Caravan, Robert Wyatt, Kevin Ayers, Gong, Hatfield & The North, Egg, Steve Hillage e molti altri. Guidati dai fondatori della scena Soft Machine e Caravan, 'Dedicated To You (But You Weren't Listening)' è il primo rilascio commerciale a celebrare la Canterbury Scene dalla sua nascita alla fine degli anni '60 durante l'era psichedelica, fino alla sua crescita e sviluppo all'interno del sottobosco del rock d'autore e del progressive rock degli anni '70. Ha avuto successo, ma rimane comunque un elemento molto amato del panorama rock britannico degli anni '70.
